

SITE TRACKING SHEET

Site Name: Geer Road Landfill

Site Location: 751 Geer Road
Modesto, CA 95351

SITES Facility File #: 50-49-0011

Site Screening **x** **PEA**

Site Summary: This was a municipal landfill operated by the Stanislaus County Department of Public Works from 1972 to 1990. During a SWAT ordered by the RWQCB shallow groundwater monitoring wells detected VOC's above drinking water standards including vinyl chloride. Hazardous wastes are not known to have been deposited at the landfill however arsenic has been consistently detected in one monitoring well at .5 ug/l.

In January 1992 a CERCLA PA was completed on the site and recommended a SI High.

Recommendation: RWQCB Lead

Rationale/Supporting Documentation: The RWQCB is actively providing oversight of closure activities at this site.

Supervisor: Megan Cambridge **Preparer:** Claudia Johansen *G*

Hours Spent: 4 **Date:** 21 April 1992
